SciTech Summer Camp 2010

Minds On Science! Hands On Learning! Brains On Fun!

	<i>Week 1</i> <i>June 14 - June 18</i> <i>9 am - 3pm</i>	<i>Week 2</i> <i>June 21 - June 25</i> <i>9 am - 3pm</i>	<i>Week 3</i> <i>June 28 - July 2</i> <i>9 am - 3pm</i>	<i>Week 4</i> <i>July 12 - July 16</i> <i>9 am - 3pm</i>	<i>Week 5</i> <i>July 19 - July 23</i> <i>9 am - 3pm</i>	<i>Week 6</i> <i>July 26 - July 30</i> <i>9 am - 3pm</i>
6 to 9 year olds	Crime Scene Investigator	Totally Ballistic	Kitchen Chemistry	It's a Bug's Life	Crime Scene Investigator	Totally Ballistic
10 to 13 year olds	Totally Ballistic	Crime Scene Investigator	Wild Weather Wonders	Kitchen Chemistry	Totally Ballistic	Crime Scene Investigator
6 to 9 year olds	Jurassic Journey	Kitchen Chemistry	Crime Scene Investigator	Wild Weather Wonders	Jurassic Journey	It's a Bug's Life
10 to 13 year olds	Robotech	Wild Weather Wonders	Totally Ballistic	Totally Ballistic	Crime Scene Investigator	Wild Weather Wonders

SciTech's Center for Learning is offering summer camp for children six through thirteen years old. Our interactive hands-on camps are the premier summer experience for your inquisitive child. Professional teaching staff, air-conditioned facilities, an outdoor science park and the opportunity to explore our exhibits are just some of the unique benefits of camp at SciTech.

Campers should bring a nutritious sack lunch. Snacks will be provided in the morning and afternoon. Comfortable play clothes are recommended.

Register now! Complete the registration form and Fax to 630.859.8692 or mail to SciTech Hands On Museum, 18 W. Benton, Aurora, IL 60506. For additional information, call 630.859.3434, ext. 214, or visit www.scitechmuseum.org

Several scholarships for SciTech's Summer Camps are available. Contact SciTech at 630.859.3434, ext.220, for more information.

SciTech 2010 Summer Camp Course Descriptions

Kitchen Chemistry: 6-9 & 10-13 year olds. Cooking is chemistry in action. Discover the chemistry behind common kitchen goods, such as candy and soda pop, through hands on laboratory activities. Combine ingredients, reagents and catalysts and apply heat to create chemical relations you can eat.

It's a Bug's Life*: 6-9 year olds. From the wetlands to the city to the river, find out what it takes to live a bug's life. Prepare yourself, though, things might get a little dirty.

Crime Scene Investigators*: 6-9 & 10-13 year olds. Ever wonder what it takes to be a detective? Join our investigative team and scientifically analyze clues, examine evidence, and draw conclusions to solve mysteries just like the pros! Visit a real police station and discover what happens to criminals once they are behind bars.

Jurassic Journey: Dinosaurs - 6-9 year olds. Explore the exciting and mysterious world of these wonderful creatures. Learn how paleontologists work and identify their discoveries. Learn what we don't know about these creatures.

Totally Ballistic: 6-9 & 10-13 year olds. Good ol' Newton said, "What goes up, must come down." That's an understatement for Totally Ballistic. Launch rockets, candle kites, cannons and tennis ball mortars in this exciting class, and safely walk away with the knowledge of backyard ballistics.

Meteorology: Wild Weather Wonders- 6-9 & 10-13 year olds. After learning some basics about our weather we will dive into "wild weather" such as thunderstorms, tornadoes, blizzards, hurricanes, etc.

Robotics 101: 10-13 year olds. Use your imagination to construct robots of your wildest dreams. Have your mind twisted as you design and build robots to face a variety of challenges. Single- and team-bot challenges will encourage individual and team problem-solving skills.

*Courses marked with an asterisk may incur an additional charge for a field trip.

SciTech Summer Program Registration Form

Please use one registration form per child.

Session Times: 9 a.m. to 3 p.m. **Before Care:** 8 a.m. to 9 a.m. **After Care:** 3 p.m. to 4 p.m.

PRICING

	First Camp	Additional Camps	Before Care	After Care
SciTech Member	\$210	\$200	\$20/child/week	\$40/child/week
Non-Member	\$225	\$215	same	same

There is a **Late Pick up Penalty** of **\$15/child/incident** (more than 15 minutes late.)

Early Bird Registration:

To receive a \$15 credit per child, register and pay in full before April 15

Join Today

SciTech Members receive \$15 Discount per camp session! A Family Membership is \$75. Benefits include unlimited visits to SciTech and to over 200 other museums around the world.

Registration Options - Payment is due at time of registration.

1. Mail or deliver to SciTech, 18 W. Benton St., Aurora, IL 60506
2. Fax form to 630-859-8692

REFUND POLICY

If you cancel a session at least 14 days prior to the start date, a refund will be issued, less a \$25.00 administrative fee. Absolutely no refunds will be issued after that time. SciTech has a minimum enrollment policy. If SciTech cancels your sessions you will be notified at least one week in advance and given a full refund.

Class enrollment: minimum-8, maximum-18.

Phone: Home _____ Work _____ Cell/Pager _____

Back-up Emergency Contact

Name _____

Relationship to Child _____

Phone: Home _____ Work _____ Cell/Pager _____

Emergency Treatment: In an emergency during the time my child is participating in an organized program at SciTech, I authorize SciTech officials to secure from any licensed hospital, physician, and/or medical personnel treatment deemed necessary for my child's immediate care. I agree to be responsible for payment of any and all medical services.

Name of Health Insurer _____

Policy # (if known) _____

I understand and accept the conditions of this release agreement.

Signature _____ Date _____

Release Agreement: I consent to allow SciTech to use my child's photograph in promotional materials about SciTech, including print and video media. I understand that no fee, wage, salary, or other compensation will be rendered in exchange, unless otherwise stipulated on this form. Promotional material may be used in (please note exceptions, if any):

I give my consent (✓): YES NO

Liability Waiver: I release SciTech from any and all Liability and responsibility for all mishaps arising during organized programs provided SciTech had acted in a prudent and responsible manner.

Please note: Some children may have special needs that we at SciTech have to be aware of so we can provide the best possible experience during our summer camps. Please describe any allergies, behavioral guidance needed, medical or other pertinent factors that our teachers should keep in mind in providing for your child.

Field Trip Permission: SciTech is located in the historic district on Stolp Island in downtown Aurora. Within blocks are a rich variety of resources. I give my permission for my child to walk, escorted by SciTech staff, to possible field trip sites nearby.

Signature

I have read and understand these policies.
